# 3kats: intelligent media

**3kats' mission** is to develop state of the art tools and technologies for web 2.0, new media and media casting. We invent, integrate and produce services for a new array of online relationships, such as infocitizenship and live events coverage. We serve as a bridge between citizens, data and multimedia for social objectives.

**3kats** is posed to be a paradigm shifter of new media. We want to set standards in new media integration and services.

If you need to take advantage and create opportunities in the web 2.0; establish more and better connections with audiences and publics or integrating old and new media... we have to talk.

**3kats** helps you reach your objectives in the complex and hypercompetitive world of Internet, social media and social networks. Operating in Miami, Florida, we offer [services](#) in:

- Online community management.
- Virtual PR and Press management.
- Consulting.
- Platform and tool development.
- Media casting.

Our clients are generally:

- Traditional media organization (for digitalization purposes).
- Traditional media with digital operations (for optimization and integration purposes).
